

We believe that college life is not all about academics, games, friends, and fun. It is also about learning to interact with other people, being aware of social, environmental and gender issues, and inequities in the society. We provide an opportunity to every student to contribute to make the society in which they live a better place and to grow as better individuals. The college has committed itself to the task of inculcating social values and responsibilities in its students. College provides every opportunity to its teachers, non-teaching staff and students for an ethical and moral value-based self-development to meet the challenges of the dynamic teaching-learning environment. This is vital for the growth and advancement of the institution.

The College is consistent in its commitment to enhance the quality of its faculty, catalyse high standard academic research in discipline specific and interdisciplinary fields, build effective governance and leadership and provide an optimal learning environment and support system for the students. The College has a collaborative and interactive work culture. One of the significant aspects has been the development of state-of-the-art ICT infrastructure in the College that is easily accessible to teachers, non-teaching staff and students. In the past five years, the practice of capacity building has been strengthened in multiple dimensions.
